to Proudbe MiGARU®

She moved to Milan to learn from the best but it wasn't until 2010 when she moved to Mexico and founded MiGARU.

The MiGARU team is passionate about dancing and art. This is why MiGARU understands the dancers' need to feel comfortable and secure in any attire they wear when moving freely. When breathing dance. The soul of the brand are the dancers of the world. They keep teaching us and moving us to offer the best.

A woman with dark hair in a bun, wearing a red leotard, is captured in a graceful ballet pose. She is viewed from the side, with her arms extended upwards and outwards. The background is a vibrant, abstract composition of overlapping organic shapes in shades of blue, pink, orange, and teal. A thick, wavy purple line curves across the middle of the image, passing behind the woman's arms.
